Dear Mr. Ritchie:

As you are aware the Continuing Education law has been amended and went into effect July 1, 2012. It reads as follows...**every Kentucky-licensed embalmer and every Kentucky-licensed funeral director shall, attend a minimum of twelve (12) hours every two (2) years in a continuing education program or programs approved by the Board. A minimum of 6 continuing education hours shall be in a live, interactive, in-person format.** Instead of having to attend CE courses on an annual basis, the bill allows **two years** to acquire the hours.

The Board has approved the Coroner's training sessions for the full 12 hours of credit needed.

If you have any questions regarding this, please don't hesitate to contact me at the number below.

Sincerely,

A handwritten signature in cursive script that reads "Prudy Newton".
